

Alternative VENUES / West Midlands

Our Venues

There are over 30 Reservist Centres available to hire throughout the region. They are all unique and offer a variety of rooms for an array of events.

Whether you're looking for somewhere to hold a conference, a small meeting, training or a secure environment to park vehicles, Alternative Venues West Midlands has the ideal location.

Alternative Venues West Midlands is managed by the West Midlands Reserves Forces' and Cadets' Association. We look after the interests of Reservists and Cadets of all three Services throughout our area and are a non-profit making organisation. The income we derive from lettings is re-invested into the Reserve and Cadet Estate.
